Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am unable to acquire the compounded
medication my physician prescribes for me to alleviate
particularly troublesome symptoms of menopause locally.
If you were to restrict my ability to fill this Rx by a
pharmacy in Wisconsin, you would be negatively impacting the quality
of my life. Further, the nature of the MOU's content targets
pharmacies that more commonly help women. Shame on
you!
